Indian Welding Journal (ISSN 0046-9092) is the official journal of the Indian Institute of Welding (IIW-India) being published quarterly since 1968. Articles published in it are indexed by EBSCO, USA, i-Scholar, j-Gate and Indian Citation Index. This journal has been included in the list of approved journals of the University Grant Commission (UGC). Articles on welding and cutting are invited from prospective authors. This journal includes selected technical articles published in Welding Journal of American Welding Society. Article submission guidelines are available in www.iiwindia.com. Published articles may be found out through surfing the web page : <http://www.i-scholar.in/index.php/IWJ>.
