LAWZ

INDIA'S FIRST MONTHLY LAW MAGAZINE FOR ALL

False and Misleading Advertisements

BOBDE
COMMITTEE
REPORT

VEXATIOUS
LITIGATION

USA and Other Countries : \$4.00

12 Misleading Advertisements

The necessity for devising effective sanctions for curbing increasing deceptive and unfair advertising practices.

18 Justice Bobde Committee Report

Has the clean chit that has been given to the Chief Justice been sourced from a dangerous fraternity or unfair misallegations

24 Electronic Voting Machine

Is the criticism of registering false votes by the machines the reason for its sparse adoption

26 Non-Human Beings & Rights

It is a question, long standing of the prevalence of rights to living beings other than humans and the future of equality

40 Viewpoint Communism In India

Marxist communism with its decreasing growth worldwide, has seen its slow but steady growth in India

45 Digital Push in Patient Relationships and Legal Ramifications

The patients are now seen to be more comfortable chatting with their doctors on WhatsApp than go through long and arduous appointments in hospitals; has this created too wide a gap between doctors and patients in terms of technological awareness

A Message from a Reader | Aarav, Delhi

"Nota, Right to reject" is a very practical and revealing article for the layman. Really liked it!
