12 Surrogacy And Applicable Laws

The arrangement of agreeing to pregnancy through asserted reproduced technology and whether it is fully accepted among the masses.

18 Human Rights

Human rights rest on human dignity. The dignity of man is an ideal worth fighting for and worth dying for.

24 Intellectual Property Rights

Intellectual property is a key aspect for economic development.

26 Future Of Food Grains

Food is our common ground however patent rights of MNCs question their availability.

40 Acid Attacks Need For A New Law

Acid attack may kill her outer beauty but will not hurt one's inner beauty and strength.

32 Commercial Courts in India

The concept of these courts has the potential and ability to position India's rank high in the 'ease of doing business' index. Its effectiveness and applicability, however, falls under question.

A Message from a Reader | Puneet, New Delhi

Great subtlety in including the art of Barbara Kruger in displaying ill effects of advertisement.
