

Two Days Training Programme on “E-resources Database”

BBA-BCA Library conducted a two days Library E-Resources training program for students on 6 & 7 March 2023. 100+ Students attending this training program. The training program was arranged by BBA Librarian Mr. Dinesh Chauhan, The Programme was started with a PPT presentation by Mr. Prashant Raj, Head of Digital Library Services, Parul University.

The main objective of the training programme is to give details knowledge about IEEE, EBSCO, DELNET, MANUPTRA, and KHNIBUS databases and provide access to the content of journal articles, conference papers, thesis, patents and other information sources. The workshop aims to create awareness among the students, Faculty members of the BBA Library.

At the end of the second session on behalf of BBA Library, Mr, Dinesh Chauhan presented a token of thanks to Mr Prashant Raj and also suggest the students please use all E-resources which are subscribed to by our Parul University.
