

## One day 'Training of Web of Science, SCOPUS & J-Gate Complete' Organized on 10<sup>th</sup> November 2022

Training on "Orientation of Web of Science, SCOPUS, and J-Gate Complete" was jointly organised on November 10, 2022, by the Faculty of Library & Information Science and the Central Library at Parul University collaborating with Informatics, SCOPUS, and Clarative.

**Training on J-Gate Complete:**

**Date: 10-11-2022**

**Time: 10:00 am to 11:30 am**

**Speaker: Mayank Dedhia**

There were three sessions in this training program. The first session was delivered by an expert, Mayank Dedhia, Manager, Training & Business Development West Region, from Informatics Publishing Ltd., Mumbai, who was invited to share his precious knowledge about the J-Gate Complete database with our precious users. Around 70+ faculties and students took the Hands-on-Training on J-Gate Complete registration.

Mayank Dedhia successfully conveyed the importance of the J-Gate Complete Database and guided the participants in ways to register in J-Gate Complete and get the benefit; he also explained how it is useful for research work. It is a very informative and interactive session for users.

**Training on SCOPUS:**

**Date: 10-11-2022**

**Time: 11:45 am to 01:00 pm**

**Speaker: Dr. Aagosh Chauhan**

The second session was delivered by an expert, Dr. Aagosh Chauhan, Account Manager, West Region, Elsevier, who was invited to share his knowledge about the SCOPUS Bibliographic Database with our users. Around 75+ faculties and students took advantages of this training.

Dr. Aagosh Chauhan successfully conveyed the importance of the SCOPUS database and guided participants on how to formally register in the SCOPUS database and reap the benefits; he also guided participants on how to use SCOPUS for publication in high impact factor journals. Users were also aware of how to increase their h-index with their publications.

**Training on Web of Science:**

**Date: 10-11-2022**

**Time: 2.00 pm to 3.30 pm**

**Speaker: Dr. Subhasree Nag**

The third session was delivered by an expert, Dr. Subhasree Nag, Senior Regional Solutions Consultant for Life Sciences and Scholarly Research Division at Clarivate, who was invited to share her knowledge about the Web of Science citation database with our users. Around 45+ faculties and students took advantages of this training.

Dr Subhasree Nag successfully conveyed the importance of the Web of Science citation database and guided the participants in ways to register formally in the Web of Science database and get the benefit; she also guided them on how to use the database for publication in good impact factor journals. She also trained on how to create a citation using Endnote. Users were also aware of how to increase their h-index with their publications.
