

## One-day Webinar on ‘Importance of VIDWAN Expert Database and National Researcher Network’ Organized on 12<sup>th</sup> January 2021

A webinar on the ‘Importance of VIDWAN Expert Database and National Researcher Network’ was organized on 12<sup>th</sup> January 2021 mutually by the Faculty of Library & Information Science and Central Library, Parul University in collaboration with INFLIBNET Centre, Gandhinagar.

An expert Shri P. Kannan, Scientist E (LS) from INFLIBNET Centre, Gandhinagar was invited to share his precious knowledge about the database with us. Around 1031+ faculties took advantage of this webinar.

Mr P Kannan successfully conveyed the importance of the VIDWAN Database and guided the participants on way to enrol in VIDWAN Database; to find experts in a given research area / geographic area and to

showcase our expertise to the research community, funding agencies, policymakers, etc. He also guided our faculties to Improve research collaboration across organizations in India and abroad. He also talked about how to know about institutional strength in a given subject area with the help of the VIDWAN Database.

Along with VIDWAN, the expert also gave brief information on IRINS (Indian Research Information Network System), which can be called a subset of VIDWAN.
