Library User Education Program for Nursing Students

As part of our commitment to serving our users in an effective way for supporting their information and research needs. The library offers for our users to learn more about the library and its resources. User education is offered through library open tours and lectures at the multipurpose hall at the beginning of each academic year. User Education instruction takes place in the library. In the library, students can experience hands-on training with the library's touch screen OPAC and the library's numerous collections.

The program was inaugurated by Dr Ravindra H.N, Principal of Parul Institute of Nursing in his address emphasizes the library's role in supporting the teaching and learning activities of the parent institution and expresses his concern about the emergence of new technology in libraries. Librarian Ms Krupali Suthar delivered the welcome speech and explained the background of the program. She explained Library Services and library details, she highlighted the importance of e-resources in the academic process. There were 200+ participants who participated in the program. The training program is intended to create awareness as well as acquaint the participants with the e-resources available under the E-resource package. The workshop aims to inspire and motivate the participants to upgrade their skills in using e-resources. The overall workshop was very informative and appreciated by participants.

At the end of the second session on behalf of Nursing Collage, Ms, Charmi Patel, Assistant Professor, at Parul Institute of Nursing presented a token of thanks to Ms Krupali Suthar, Librarian, at Parul Institute of Nursing. And thanks to the librarian for giving such very important information about the library.
