# THE TREE CONNECTION

SANCTUARY ARCHITECTS REDEFINE THE PERFECT OFFICE

RENOVATE & DECORATE SPECIAL JOIN IN THE FESTIVITIES AND REVAMP YOUR HOME

The team of Parallax Design Studio loves 'design' in all its manifestations and constantly strives to push its boundaries in both its projects and products

**Cover Story**  
Bengaluru-based Sanctuary Architects & Interior Designers have designed the perfect office for themselves

**SAV**

*By embracing the traditional techniques and collaborating with the modern-age systems, SAV constantly strives to push the envelope*

22

Nestled among the lush hills of Alibagh, Aurelia is located on an envious vantage point; it aims at total serenity, especially the kind that celebrates its surroundings

In the ferocious summers of Surat, DWG Architects zeroed in on a large brick curtain wall as a device to deflect the heat of the sun from this bungalow

# SEPTEMBER

Yoshitoshi Kanemaki is a Japan based sculptor renowned for his bizarre yet lifelike wooden sculptures

59  
Accomplishing Aesthetics

By Namrata Jain

Hotel Moments Budapest sits advantageously with St Stephen's Basilica and the Opera House, both a short stroll away

68  
**Tropical Paradise Revisited**

Nicobar is a space one needs to visit not merely for shopping but to experience a beautiful amalgamation of contemporary Indian style and a global Indian spirit

98

**THE ESSENTIALIST**

**BLURRED BOUNDARIES**

103

Designed by C.F.Moller, Villa Rypen is a symphony composed of nature and raw minimalism

78

**Renovate & Decorate**

Renovate your abodes as festive season hits town with our latest coverage on products and solutions across categories of lighting, paints, wall coverings, home decor and accessories

**OF AUSTENESQUE ETHOS**

72

Designed by Aangan architects, this charming farmhouse in Dumas, Surat, far away from the city's chaos, is designed to bring in whiffs of fresh air from its ambient orchards

108

Queensland's tropical strip is home to some of the oldest continuously surviving rainforests on earth, which predate the Amazon forest by millions of years and boast of flora and fauna not found anywhere else on the planet
