42 IN MEMORIAM ZAHA HADID RIP

A blitzkrieg on social media has announced the passing away of Zaha Hadid. She was at once the rock star, the empress of architecture, striding in, large black and white billowing, where lesser mortals tiptoed on egg shells. Her influence on architecture is difficult to overstate, as Dipen Jayakar finds out.

48 BUNGALOWS WHERE THE MIND IS WITHOUT FEAR...

Experimenting and breaking norms, Dipen Gada has pushed the boundaries in this weekend home for his family. Not being answerable to a client has resulted in surprising solutions, contrary to the expected...but resulting in a beautiful home away from home which family and friends delight in.

66 PROFILE SIMILAR – YET DIFFERENT!

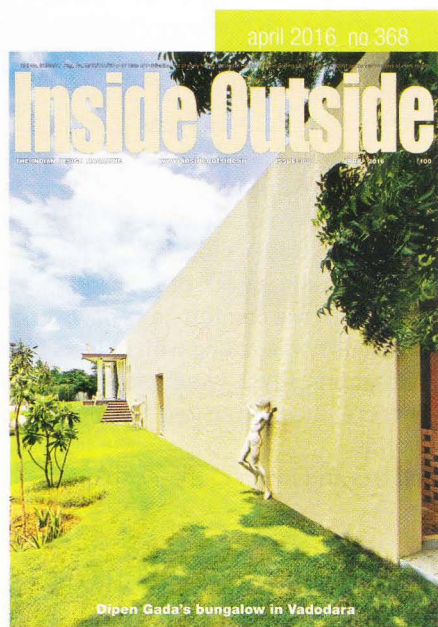

Showcasing the talent of Planet 3 Studios, these three offices have similarities as well as differences in the design solutions. Tailor-made to fit very specific briefs, they approach every problem from a fresh perspective, delivering on the dot as they create a special ambience suited to the work carried out within the spaces.

130 BANQUET HALL TO PARTY...TO PARTY....

Providing the perfect party venue to act as a backdrop for fulfilling the 'special occasion fantasies' of residents of both Vadodara as well as Ahmedabad, this banquet hall, which is just outside the urban area of Nadiad, has become a hot spot for hosting large functions. Designed by Ace Associates Architects, the sprawling space provides for multiple events to be held simultaneously.

138 CLINIC GOOD THINGS COME IN SMALL PACKAGES

An intimidatingly long brief for an impossibly small space has been followed to the letter by Rahul Mistri of Design Atelier Mumbai, in this clinic for a dermatologist - all within a tight time frame and modest budget.
