Restoration of Mumbai's Town Hall by ANL Associates

o content

32 RESTORATION A NEW LEASE OF LIFE

The Town Hall in south Mumbai was among the other heritage buildings in the city. Anurag Kashyap, author of many rescue operations of heritage buildings, steps in to restore the building to its past glory, retaining its original vocabulary. Devyani Jaiswal takes the tour.

44 PROFILE LUXURIOUS LIVING

'Design can be art, design can be aesthetic. Design is always simple and that is why it is so complex to execute,' seems to be the maxim of Hardeep Singh, Business Head of Essentia Environments.

66 BUNGALOW BLENDING TRADITION AND MODERNITY

Pune-based architects Madhuri and Sagar Zite designed a home for the Kad family keeping in mind the family's traditional roots and modern outlook.

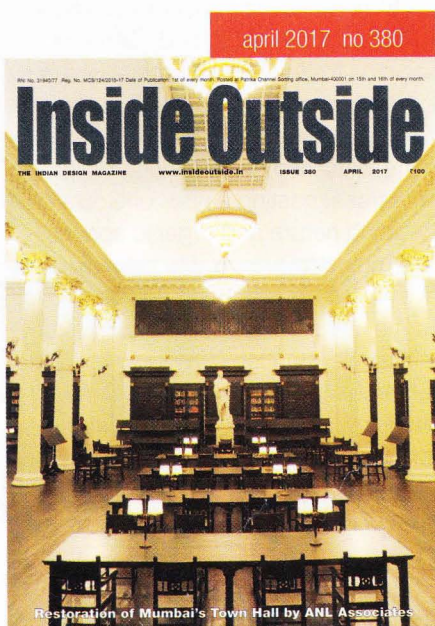

Photographs: Harminder

76 OFFICE ARTISTIC ARCHITECTURE

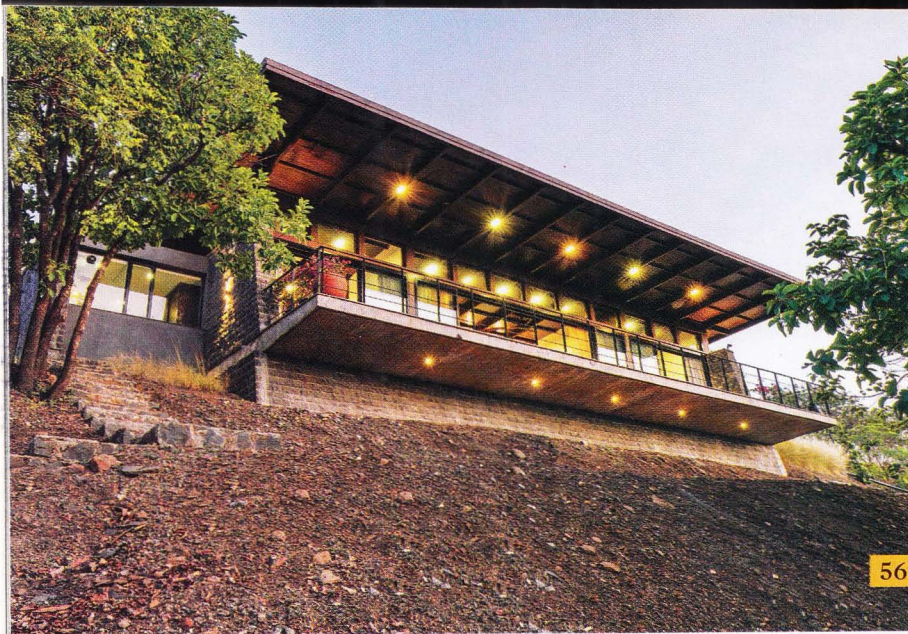

'I don't follow any style. I enjoy creating fluid architecture and working on contemporary architecture is my delight. I have always wanted to take up challenging projects and look for treatments which have not been tried before and work with a new vocabulary,' says Kapil Aggarwal, Founder-Principal of Spaces Architects@ka, New Delhi.
