## CONTENTS

|   |       |
|---|-------|
| QoS Operation Modification to On-Demand Hybrid Multicast Routing Protocol .....   | 1-4   |
| <i>R. N. Satpathy and A. K. Swain</i>   |       |
| Overview of the Comparison of Tiny-sync and Mini-sync of Time Synchronization Protocol for Power Management in Wireless Sensor Networks ..... | 5-12  |
| <i>Pradeep K. Dash and R. N. Satpathy</i>   |       |
| Overview of the Data Hiding of Gray Images by using Steganographic Algorithm in Image Processing .....  | 13-21 |
| <i>Shankutala Mohapatra and R. N. Satpathy</i>  |       |
| Studies of Packet Delivery Ratio and End-to-End Delay in Multicast Routing Protocols in Mobile Ad Hoc Networks .....                          | 23-31 |
| <i>B. G. Gaudà and R. N. Satpathy</i>   |       |
| Overview of the Global Geodesic Shape Function, Distribution and Signature Matching of 3D Objects in Image Processing .....                   | 33-40 |
| <i>Rabinarayan Satpathy, R. K. Chhotray and Sabyasachi Pattnayak</i>  |       |
| Texture Synthesis and Image Completion by Using Priority Belief Propagation in Computer Vision .....  | 41-50 |
| <i>Rabinarayan Satpathy, R. K. Chhotray and Sabyasachi Pattnayak</i>  |       |
| Application of Back Propagation Algorithm to Denoising an Image by Using Minimizing Generalized Cost Fu Using Nction .....                    | 51-58 |
| <i>Rabinarayan Satpathy, R. K. Chhotray and Sabyasachi Pattnayak</i>  |       |
| Studies of the Frame Structure for Mobile Multi-hop Relay of Medium Access Control Protocol for Cooperative Network Application .....         | 59-65 |
| <i>Sitansu Kar and R. N. Satpathy</i>   |       |
| Overview of Network Density Evaluations AODV, OLSR, and GPSR with QoS in Wireless Sensor Networks .....                                       | 67-72 |
| <i>Sanjit K Acharya and R. N. Satpathy</i>  |       |
