LOVES

37 From fashion and beauty to decor, food and tech, there's something for everyone in the Vogue Gift Guide

SHOPS

49 With social gatherings looking different this year, so too are the rules of dressing. Plus, the anti-fit dresses that have seen us through our year at home thus far, polka-dotted everything, and jewellery and watches that are brighter than sunshine

STYLE

75 **Inside story**
A 12-hour live stream of movements behind

the scenes and designers dressed as models—Gucci's Resort 2021 presentation was a pilot for the future of the fashion show, says Akanksha Kamath

80 **Did 2020 end fashion as we know it?**

The jury is still out. But it did upend the status quo, have us question absolutes, raise important conversations and uncover incredible talent, writes Priyanka Khanna

88 **What is India wearing at home?**

If rolling out of bed and into your day in your pyjamas has lost its appeal, here's the inspiration you need. By Sheree Gomes Gupta

91 **Ready, Shetty, go**

A wellness app, a clothing line and two new films—Shilpa Shetty Kundra shares her style secrets, including her love for Bulgari's designs. By Rishna Shah

92 **Eyes wide open**

Dior Lady Art's fifth edition brings together creatives from across the globe to build their own version of the bag, including British-Indian artist Bharti Kher. By Isheta Salgaocar

95 **Fruit of the loom**

An environmentally conscious approach can no longer be an afterthought for fashion. Ritu Kumar, one of India's oldest design houses, ventures

into new territory with saris made from banana and soya fabrics. By Praachi Raniwala

96 **Living out of their suitcase**

For these two style influencers, surviving on a limited wardrobe has impacted how they will buy and wear for the years ahead

BEAUTY

100 **Morning, sunshine**

Neither age, routine, work pressure or a lockdown can stop these women from waking up to fresh, glowing skin. They let Shabana Patker-Vahi in on their routines

105 **Wake up and makeup**

Break open those

palettes you've ignored all these months—you don't need a reason to play dress up

110 **Au naturel!**

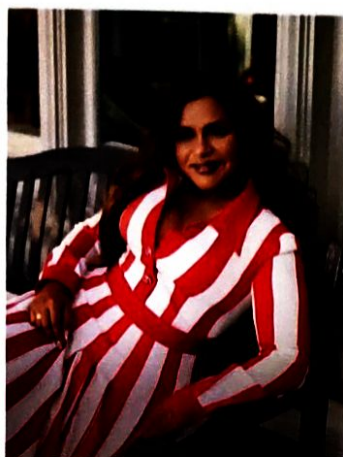

India's most familiar Ayurvedic beauty brand is coming for your makeup bag with products that highlight and emphasise. By Avanti Dalal

112 **Talk skin to me**

Six women asked us how to deal with the infamous 'lockdown skin' as they juggled deadlines, chores and the new way of life. By Sanjana Salunkhe

115 **Four stars**

Here's what to take into the new year to start off on a cleaner, brighter note

These planters will invigorate any space. By Naheed Driver

162 This is us

Seven designers and architects, all purveyors of our modern lifestyle, take us into their personal retreats. By Dennis Braatz and Katharina Hessednez

166 Urban legend

Design icon Giorgio Armani tells Cristina Kiran Piotti why it's time to embrace the great Italian value of craftsmanship and rethink lifestyle with slow luxury

168 Viva Italia

Salone del Mobile may be cancelled, but creativity continues to push Italy's innovative designers and brands. By Cristina Kiran Piotti

172 Our lady of luxury

Designer Seetu Kohli is finding new ways to push her creative boundaries. Up next is a home-grown label she chalked up with her teenager, writes Divya Mishra

174 French connection

In a meeting of minds, luxury maison Hermès finds its co-creative in French design house Normal Studio. By Akanksha Kamath

175 Can inanimate objects tell a story?

This question is at the heart of curator Farah Siddiqui's ever-evolving art project for which she joined forces with entrepreneur Natasha Mehta to repurpose our quotidian surroundings into a documentation of the pandemic

176 Party of six

Skip the Zoom session for an old-school gathering. From DIY cocktail garnishes to a make-your-own burger bar, accomplished hosts weigh in on the new ways to make merry with the family

180 Best-laid plans

Dial up the lush prints on your tableware by adding foliage and

fantasy to your next dinner service, says Shalini Misra

181 Clean slate

Usher in the festive feeling by bringing in uplifting neutral tones with a hint of glamour, suggests Simone Arora

184 Pitch perfect

Work with fabrics rich in patterns and colours to dream up a home that is high on drama and fantasy

186 The craft keepers

Reviving craft practices by engaging with karigars, these home brands are creating collectibles built on age-old traditions fit for modern functionality. By Rajashree Balaram

192 The great metamorphosis

When staying in became the new going out, there came many home improvement epiphanies. From living more sustainably to

much-needed upgrades, experts share their learnings

198 The kitchen report

From sautéing to socialising, the kitchen is the busiest room in the house. Experts discuss how to make it a room of taste. Plus, new accessories that will elevate your skills, and an ode to the kitchen island

203 The bathroom report

Today's bathrooms come with spa-level fittings. Arzoo Dina shares plans to conjure up one styled after your own idiosyncrasies, while four experts shed light on how to future-proof your bathroom
