INVITED REVIEW**An overview of mechanization in chhana production**

VK Ammu, PS Minz, AK Singh, Amita Vairat, Amit Kumar Juneja and Dharinkumar Jayswal 1

RESEARCH ARTICLES**DAIRY PROCESSING****Measurement and prediction of thermal properties of pantoa during deep-fat frying**

Neethu KC, F Magdaline Eljeeva Emerald and Heartwin A Pushpadass 7

Physico-chemical analysis of calcium enriched herbal ice-cream

Davuddin Baig M, Ashu Malik, Dharani Kumar M, Wangdare Sachin Subhash, Fawaz Ahamed S, Beena AK and Rajakumar SN 13

Efficiency of bronopol and kathon in preservation of milk and milk products samples stored for analytical purpose

Bumbadiya Mitul, Chilbule Amit, Richa Singh, Sumit Arora, Bimlesh Mann and Priyanka Singh Rao 21

Chemical changes of *kradi* cheese stored at refrigeration temperature under vacuum and normal conditions

Hilal Ahmad Punoo 28

Studies on the preparation of antioxidant rich ber (*Zizyphus mauritiana* Lamk.) powder burfi with coconut sugar as natural sweetener

Sonika Pandey and Amrita Poonia 32

Factors affecting milk yield, milk composition and physico-chemical parameters of *ghee* in Murrah buffaloes of Punjab region

Veena N, Manju Wadhwa, JS Hundal and AK Puniya 40

Iron fortification of shrikhand using *Murraya koenigii* leaves extract

Alan Jerish J, KS Gnanalakshmi, K Vijaya Rani and I Manikkavasagan 46

Nutritive value of *ghee* residue incorporated bakery product

Rajeev Ranjan, AK Chauhan, Shubhendra Singh, Sarika Kumari and Ritu Prakash Dubey 51

Antioxidant activities, proteolytic activity and growth behavior of *Lactobacillus* cultures during fermentation of goat milk

Gauravkumar Panchal, Subrota Hati, VB Darji and JB Prajapati 57

ANIMAL PRODUCTION & REPRODUCTION**Application of soft computing models for prediction of subclinical mastitis in indigenous breed of dairy cattle in India**

Indu Panchal, Sumit Mahajan, Sharanagouda B, Kanta Yadav and IK Sawhney 67

Prevalence subclinical mastitis in small-scale dairy farms under grazing or in total confinement in the central highlands of Mexico

Mariana Valle-Aguilar, Felipe López-González, Aurora Sainz-Ramírez and Carlos Manuel Arriaga-Jordán 73

An observational study investigating uniformity of manual body condition scoring in dairy cows

Abhishek Paul, Champak Bhakat, Santu Mondal and Ajoy Mandal 77

D² statistic technique used for analysis of genetic divergence among Gir crossbreds

Mahendra Gorakh Mote, Vishnu Eknath Narwade, Ulhas Shivaji Gaikwad and Pramodkumar Shriram Sakhare 81

A Study on information needs of dairy farmers in hill region of Uttarakhand

Babita Adhikari, Amardeep Chauhan, Neelam Bhardwaj and VLV Kameswari 86

SHORT COMMUNICATIONS**Effectiveness of Public Private Partnership model of dairy farming in Haryana**

Khusboo Raj, K Ponnusamy, Raja Yadav, Kishore CN and Mehrunnissa Begum 91

A longitudinal study on the impact of species and age of animals on milk production in dairy animals

JK Chaudhary, MR Verma and Shashank Kshandakar 94
